E.S.S.A.

The Every Student Succeeds Act (ESSA) was signed by President Obama on December 10, 2015. The new law builds on key areas on progress in recent years, and concentrates on the following areas:

- Interventions and Supports for Struggling Students
- College and Career Readiness
- Recognizing Effective Teachers
- Early Childhood Education
- Teacher and Leader Evaluation and Support Systems
- Wrap-Around Support Systems for Vulnerable Communities

This year's OACE conference will focus on delivering training that will highlight many of the above areas – providing techniques and strategies that educators and parents can use to help every student succeed.
